What Do We Do?

Our popular term time classes train older children and teens in a variety of dance disciplines including **Tap, Ballet, Contemporary Modern Jazz, Street and Acrobatics**, in a positive and supportive environment.

Our older dancers complete regular **strength, fitness and flexibility training** and are taught additional styles such as **Freestyle, Commercial and Theatre Craft**; students are encouraged to put forward their own ideas and contribute to choreography.

Our experienced teaching team draw on a broad spectrum of training and qualifications with various Associations to ensure we deliver first class, current, safe and effective training.

Although we work to a progress and event schedule: bi-annual charity showcases at prestigious theatres & and we hold regular IDTA examinations sessions, our focus is very much on positivity and enjoyment; we want every student, every week, to have a great experience and look forward to their next class.
